

SOTA README schema gate

README-level evidence checks systems, folder tokens, license, and citation guidance before local adapters are claimed.

schema	stage	KA	KA2D	traj	schema	blocker
glassbench readme schema systems: KA;KA2D; folders: _trajectories;_models;_results; citations=2.0	remote readme schema ready	1	1	1	1	local archive inspection
hedges schema missing trajectories systems: KA; folders: _models;_results; citations=1.0	metadata incomplete schema	1	0	0	0	trajectory folder
